2017-2018 ANNUAL REPORT

www.valuefoundation.in

Secretary's Message

It has been ten years since a group of citizens, inspired by Swami Bhoomananda Tirtha ji of Narayanashrama Tapovanam, Thrissur, Kerala, embarked on the critical task of lending a hand in improving the way we – as a nation - were functioning, and serving the diverse and essential needs of our citizens. Swamiji has emphatically stated that capable, committed and spiritually conscious people have a duty towards ensuring that the nation that we belong to is governed on the basis of National Values. He was eager therefore, that people associated with him should actively work to promote ethical and good governance, clean and transparent administration and the use of National Institutions for the betterment of all.

Thus, the Foundation for the Restoration of National Values (FRNV) was established as a National Society in June 2008. Dr. E. Sreedharan, a technocrat with a formidable reputation as an Ethical Leader with extraordinary management skills, was invited by Swamiji to lead the National Society, and he has since served as its President. The eminent members of the Foundation's Advisory Board, as well as its Managing Committee agreed that they would rely on the Constitution of India, the National Flag and the National Motto (Satyam Eva Jayate) to serve as the basis for formulating and propagating National Values, and use them to inspire leaders, citizens and Institutions representing all walks of life.

Over the past ten years we have made a small, albeit noticeable impact in a variety of areas. Today, we have a presence in Bengaluru, where the Karnataka Chapter of FRNV is active. In Kochi, the Kerala Chapter of our society – much like Karnataka - relies on the involvement, contributions and efforts of many eminent people to further our Nation's objectives. We also have a number of Corporate Members, Friends, Life Members, and Members associated with FRNV – all of whom are doing their bit to further the goals of the Society. (Details of areas where we have made a difference are given in further sections of this Annual Report.)

We realize of course, that a commitment of all citizens to National Values and a lifelong orientation for the well-being of all within the nation - along with a sense of patriotism - can only come from one's family; along with ample reinforcement that a sound educational system provides. Our young children and adolescents are the future of our Nation, and their Values, and orientation towards their nation will determine our future trajectory. It is for this reason that over the past few years, we have placed additional emphasis on Value Based Education, as a means to creating the responsible, patriotic and nationally committed citizens of tomorrow. Alongside this, we have also been working on our regular focus areas, including that of bringing the Corporate Sector into our fold, since businesses too have a major influence on how society evolves and functions.

We are grateful for the support of our Life-members, Corporate Members, Members, Friends, Patrons, Donors and well-wishers. Ours is a National Movement that benefits from the involvement of all, and we warmly welcome you into our fold.

Sincerely,

Bharat Wakhlu

FRNV Vision

FRNV will strive to restore our time-tested National and cultural values, so that people, individually as well as collectively, find an abiding inner persuasion to be truthful, ethical, patriotic, and committed to wholesome development of the Nation.

Our Aims & Objectives

Dedicated towards creating more ethical value based leadership driven by conviction so that leadership with integrity creates most appropriate conditions in democracy for all around National development.

- Aims at creating ethical leadership in the areas of business, administration, police, politics and value based education.
- Hopes to stimulate awareness among all members of the society, about the importance of the Duties of the Indian citizens, through its actions.
- Restore the National and Cultural Values of the country, so as to enrich and empower the Administration as well as its citizens.
- To institute and propagate, ethical knowledge and disciplines, especially Value-based insights, as applicable to all sections of people without any distinction of gender, caste, creed or religion, with a view to promote and preserve individual, social and universal well-being, development, collective wisdom and peace.
- To imbue on the basis of our common heritage, moral and ethical values and principles, that foster civic sense, concern for others and the environment, in members of all sections of the society without any distinction of gender, caste, creed or religion.
- To work towards the strengthening of ethical standards in the Executive, Judiciary as well as people's bodies and representatives, and all other agencies that interfere with citizens, and endeavor to inculcate standards, so as to enhance their ability to understand and serve the needs of society in a way that upholds and fosters the greater good.

Our National Values

The solution to the value crisis lies in the inspiration provided by the three stable pillars on which independent India has vouched to rest firmly:

- 1. National Motto; 'Satyameva Jayate';** signifying that 'truth shall prevail', which we chose for ourselves, in the wake of independence.
- 2. National Flag;** that proclaims ceaselessly the message of inner sacrifice, inmost purity, preservation of natural abundance, and vitality of the Earth.
- 3. Fundamental Duties in the Constitution;** enjoining each one of us to value and uphold the composite culture of our country, and to be inspired by the great ideals that led our national struggle for independence.

Together, these make an exquisite triangle encompassing all our National values, and FRNV draws its inspiration from this ocean of strength.

Our National Values consist of discipline, restraint, and the ideal to stimulate the consciousness of all, to achieve:

- *Eradication of inner constrictions born out of selfishness and greed;*
- *Imbuement of a warm fondness for society and concern for the collective good; and*
- *Building of sufficient inner strength and character, in the individual, family and society as a whole.*

Our Strategy

- i. Influencing the influencers.
- ii. As the crisis has its roots in the mind and intelligence, aim at stimulating change at a germinal level.
- iii. Not a grassroots level movement.
- iv. At the same some grassroots-level activities may be required.
- v. Today youth is playing a key role in the National Scene.

Our Focus Areas

Towards creating a Value-based Society, FRNV focuses on the following areas:

1. Values-Based Education:

The main focus of this project is to implement FRNV's Values-based education methodology across schools in our country. FRNV's mission is to become known as an 'Opinion Leader' in the area of Values-based education in the country.

2. Electoral and Administrative Reforms:

FRNV advocates for preventing criminals from contesting elections and against the use of money power in elections. In addition, we shall work to include legislative backing to implement code of conduct during elections and speedy disposal of poll petitions by empowering the election commission.

FRNV has approached the Supreme Court from time to time to take up burning issues of National

importance on behalf of citizens of India and has submitted PILs on *Parliament Stalling; Wasteful Advertisement; and Disaster Management*.

3. Police Reforms:

Police projects such as Police Complaints Authority (PCA) and Police Pacts are dependent on values such as compassion and self-restraint, advocating for PCA to enable police to understand that victims of crime have to be viewed compassionately. The main focus of this project is the implementation of Supreme Court directives to the central and state governments on Police Reform in the famous Prakash Singh vs. Union of India (2006) case. The apex court instructed both the governments to comply with a set of seven directives laying down clearly practical mechanisms to kick start police reform.

4. Sanitation and Hygiene:

FRNV advocates on waste segregation, solid-waste management and educating citizens about civic sense.

FRNV Kochi chapter is working intensely on eradication of mosquitoes nuisance and addressing the problem of water logging.

5. Corporate Engagements for Ethics & Governance:

At the Foundation for Restoration of National Values, we believe that corporate integrity is important to attain sustainable development. We seek to stimulate the inner consciousness of corporate leaders and strive to maintain a high level of transparency within the organizations. FRNV could be a standard setting organization for bringing together those companies that conduct business ethically. We could set certain criteria to bring together those companies which clearly articulate and demonstrate high-level strategic commitment to ethical business.

Our esteemed corporate members include AFCONS Infrastructure Ltd, GMR Group, Oil and Natural Gas Corporation Ltd., Lucknow Metro Rail Corporation Ltd., Delhi Metro Rail Corporation Ltd., Mumbai Metro Rail Corporation Ltd., Tata Sons Ltd., NTPC Ltd.

We have reached out to two of our corporate members seeking their interest and availability in organizing this workshop for their senior business leaders.

Our Regional Chapters

FRNV does not restrict itself within the region of Delhi and aims at expanding its motives to all parts of the country. The efficient functioning of the regional chapters will ensure effective implementation of police reforms in the different states as per Supreme Court directives, implementation of value-based education in the different tiers of education across all states of the country and to implement electoral and administrative reforms across the nation in an attempt to prevent value erosion and eradicate corruption.

FRNV – Values-Based Education (VBE) Programme

FRNV's Values Based Education (VBE) aims at creating an education ecosystem in which each stakeholder decides to embark upon values based living.

- FRNV has been conducting teachers' workshops in all the intervention schools and about 70 teachers teaching in grade 3 to 8 have actively participated in the workshops and have been showing their interest in promoting values through their teaching.
- A number of activities in the intervention schools have been organized and about 1200 children actively participated in different activities in which various values were promoted with the help of skits, group discussions, case-studies, story-telling, and so on.
- In all the areas where intervention schools are located in Delhi, we are working closely with the communities to which the school children belong, so that we are in touch with the students, as well as their parents and teachers, even after the school hours. About 450 women from the target communities participated in various community-based activities. The activities were organized mainly to promote values like honesty, truthfulness, patriotism, kindness, hygiene, health, etc.
- Besides school and community-based interventions to promote Values-Based Education, we are also working at the policy level. In the month of December 2017, we submitted a proposal on Values-Based Education to Kasturirangan Committee to advocate for including VBE in National Policy on Education 2016.

*Workshops were conducted in the interventions schools in Delhi.
Retired Prof. Daya Pant, NCERT took the sessions on Values-based Education with school teachers*

Children activities being conducted with the interventions schools to promote values like Honesty, Justice, Kindness, Equality, Discipline etc.

Administrative Reforms

A survey was conducted on MCD elections in April 2017. The objective of the survey was to test ground realities and gather public opinion on the delivery of promises made by MCD at the time of elections. The exercise is aimed at assessing issues prevalent across the three MCD zones, and as such evaluating the performance of ward officials and Municipal Councilors. By reaching out to heterogeneous groups across constituencies, we also tried to gather public feedback and suggestions.

Public Interest Litigations (PILs)

Written to the Speaker of the Lok Sabha, Deputy Chairman of the Rajya Sabha and the Leader of the Opposition regarding disruption of Parliament proceedings. The Deputy Chairman Rajya Sabha, Prof. P. J Kurien in his response stated that it was a collective responsibility of all the stakeholders to maintain the decorum of the house.

FRNV - 9th Foundation Day Celebration

FRNV celebrated its 9th Foundation day on June 7, 2017 at Metro Bhawan, New Delhi. The theme for the event was "Swachh Bharat initiatives" which was inaugurated by the then Urban Development Minister, Shri M.Venkaiah Naidu. FRNV's Kochi chapter of Kerala was inaugurated on August 26, 2017 which was attended by a large number of eminent personalities and officials in and around Kochi.

Subsequently, FRNV team met the Hon'ble Education Minister of Kerala, Prof. C. Raveendranath and requested for values-based education to be introduced in Government and aided schools.

Book Publication**“Restoring Values: Keys to Integrity, Ethical Behaviour & Good Governance”****Edited by:**

Dr. E. Sreedharan & Sri Bharat Wakhlu

Published by:

SAGE Publications

Language: English, Hindi, Marathi

This book presents a collection of articles, from some of the finest thinkers, which throws light on what we need to do to restore values in all walks of life.

This volume is a wake-up call to Indians to shape their country as an ethical nation. The articles in the compilation have been written by some of the most eminent thinkers and leaders of India, in various fields, all of whom are known for their commitment to living and working with integrity. It addresses the reasons for the absence of honest, ethical and transparent dealings in all sections of the society, including the legislative, executive and judicial branches of the government.

The articles present a credible and practical set of ideas and approaches to raise standards of integrity, ethical behaviour and governance in the institutions of our country. Some of the articles were presented at a two-day conclave organized by the Foundation of Restoration of National Values in New Delhi in November 2008. The compendium not only captures the essence of the conclave, but goes beyond it by providing a roadmap for initiatives that can be taken at the individual and collective levels to transform India into an upright nation – free from corruption, deception and opaqueness in decision making.
